Our Mission: To Seek, Know, Love and Serve Christ in all Persons and in all Creation

Ramblings from the Liturgist.....

Shared by Georgeann Wright

Once again, my turn to write something for the newsletter. Christian community comes to mind. Dr. Sam addressed this in her cover letter last month. The idea that community is the backbone of the Christian church is mentioned, that the case could be made that it originated with Jesus in his dealings with the disciples and seekers.

About this same time one of my daily readings from “Forward Day by Day” talked about the importance of community and solitude in our spiritual journey. As part of the Christian community, we share in fellowship, worship and service. Sometimes we need solitude to listen to Gods voice and think about his will for us.

I recently had the opportunity to experience both. I was scheduled for some surgery and because of several viruses still lurking around borderland I stuck pretty close to home (no social life!) before surgery. Hence the opportunity to experience solitude. I was confined to home briefly for recovery. Now comes the part about community. I was unable to attend church for a few weeks. I dearly missed this and my church family. By church family I mean the people with whom I attend church. They are the community that mean so much to me. They remembered me during my convalescence with cards, calls, food and prayers, all of which hastened my recovery. A Huge thank you to all of you!

Our church community may be small in number but it is strong! And we are so blessed to have other church communities to share with! May this community continue for many years to come!

Peace,

Georgeann
