Our Mission: To Seek, Know, Love and Serve Christ in all Persons and in all Creation

Ramblings from the Liturgist...

I always wonder what I'll find to write about when my time rolls around, but Mother Nature, with all her wisdom, always seems to provide material!

This time it was a health crisis in the immediate family. One Monday morning started out very routine and within 15 minutes became the beginning of a very scary adventure. Hospital emergency rooms, many tests and doctors, and a long bumpy ambulance ride to Duluth. All went well and we were able to return home a few days later.

I have never prayed so hard or so much in my life. Sometimes to myself as I sat in the hospital room, other times out loud. When my prayers are out loud my messages to God seem like a conversation we are having. I seem to almost feel the Lord's presence with me. The following prayers are a few that sustained me during this time.

"Everything will work out in the end. You don't need to know how. You just need to trust God and believe that it will"

"Lord settle it"

Settle my mind
Settle my heart
Settle my spirit
Quiet the noise within me
Remove the fear
Ease the anxiety
Teach me to rest in your peace
Anxious for nothing
Fearful of nothing
Just trusting you

"Lord help me spend less time worrying about what could happen and more time trusting the One who already knows what will. Fill my heart with peace and teach me to rest in your promise."

These are all on my phone so I always have ready access to them! A plus for technology!

PS, Crisis resolved and recovering well at home!

Peace,

Georgeann Wright
